I am a native New Yorker, born and raised in Brooklyn, NY. I completed undergrad studies in Upstate NY (near Buffalo) and graduated from law school in 2013 in Michigan (Grand Rapids).

I began my Social Security career in 2014 at their Jamaica, Queens office. I moved to Chicago in 2017 and continued working for SSA. During my SSA career, I have held many “technical” positions. My area of expertise is the “Title 2” or RSDI side of SSA, which covers retirement, survivors, and disability benefits paid to workers, their dependents, and survivors.
